

Examination Scoring Schedule

Scoring dates are subject to change without notice. Examination scoring is scheduled to take place on the dates indicated below.

Examination Candidates: The examination scoring process can take up to four (4) weeks. NBCOT makes every effort to make the unofficial examination pass/fail result available to you on the next business day following the scoring date; however, there may be unforeseen circumstances when this is not possible. In these circumstances, the unofficial exam pass/fail result will be posted as soon thereafter as possible. The unofficial exam pass/fail result can be accessed by going online to www.nbcot.org and logging into your account.

Important Notes:

- The online pass/fail examination status is considered to be an **'unofficial'** result and should not be used for state license or employment purposes. The hard copy examination score report mailed to each examination candidate is the **'official'** result.
- If you take your examination 1-2 days prior to a scoring date, your unofficial pass/fail result may not be available until the next scoring period.
